United Service Workers Union IUJAT Once Again Breaks All Records

On September 19, 2011 the sun was shining brightly on the Seventh Annual Golf Tournament 26th Annual Fundraising Event, sponsored by the United Service Workers Union IUJAT, held at the Eagle Oaks Golf and Country Club in Farmingdale, New Jersey.

As the supporters and participants arrived, each and everyone said the same thing...“It never rains on Deborah.”

Three “Hole In One” cars graced the Golf Course to a record breaking attendance.

What a glorious day everyone shared starting with a magnificent array of breakfast foods, a mid-day barbecue and a lavish Reception presenting the Awards.

A “Special Thank You” goes out to these extraordinary people who not only contribute financially, but give so much of their time with extremely difficult schedules each and every year...“Thank You” Lori Ann Ames, Jonathan Ames and Steve Elliott, Sr., our Co-Chairpersons for this “top shelf” Golf Outing. Also, “Thank You” to the amazing Staff and Business Agents.

Humanitarian Award Reception In Honor of Emil Solimine Was "The" Place To Be...

On Friday evening, October 14, 2011 you could feel the excitement in the air as guests arrived for the Twenty-

Fourth Annual Humanitarian Award Reception, in honor of Emil W. Solimine, President and Chief Executive Officer, Spiniello Companies and Senior Vice

President, Wells Fargo Insurance Services.

As the exciting array of friends and business associates of Mr. Solimine arrived, they were greeted with a lavish Champagne Station with white glove service and an evening fit for a king. At the Sheraton Meadowlands Hotel located in East Rutherford, New Jersey, guests came from all over the United States to join in Mr. Solimine's honorarium.

Guests dined on an extraordinary selection of delectable foods and an amazing Viennese display.

Above the seafood display sat a magnificent ice carving of a Baby Grand Piano.

The entertainment was very whimsical and all of our Guests participated.

I would like to extend a "Special Thank You" to Our General Chairman, Francis A. Tedesco, without whom this Event could never have flourished. Also a "Thank You" to our Committee, as well as Burt Trebour for his warm Invocation.

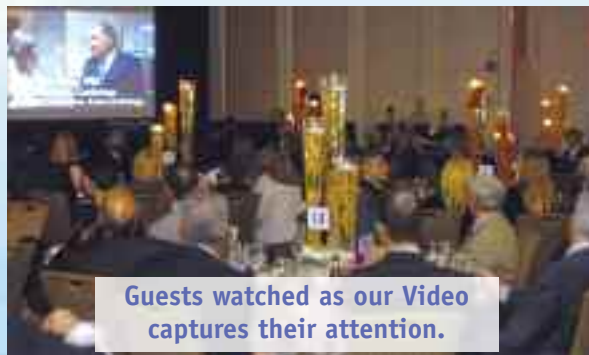

"It was one of those Events where the excitement was in the air from start to finish...and no one wanted the evening to end," said Corinne Kashan.
